

# Red Class Weekly Review

5<sup>th</sup> – 9<sup>th</sup> February

We continued this week with International week, and enjoyed reading "Handa's Surprise" to learn about different South African fruits. We counted all the fruit in the basket, and the children enjoyed telling the class about their favourite fruit.

On Monday Red class had the opportunity to visit the Yellow class, and learned about another country, Brazil. They tried on costumes from Brazil and enjoyed Brigadeiro chocolates specially made by Miss Vicky. They have also looked at different rainforest animals and ended their session by making Brazilian Flags.

Looking forward to welcoming you back on 19<sup>th</sup> February.

Next week

Happy Valentine's Day

Our Artwork this week included making the South African flag. We learned all about the meaning of each colour, by sticking it like puzzle pieces on the flag. We also made Valentine's cards, with our handprints and showed a lot of love to each other, as love has different meanings and we can love different things and people. The children had the opportunity to tell the class about the people that they love.

The highlight this week was our International Children's Day Party, with lots of yummy food from all over the world, thank you to all the mummy's for your wonderful contributions. The children looked lovely in their costumes, representing their home countries. Wishing you a restful weekend,

Red Class Team
